

"Araluen", 63 Kardinia Lane, Sutton Forest

Sunday 26 November 2023

Welcome to Berrima Horse Trials. This is our first event in 2 ½ years so we are very happy to welcome you back.

Gates will open at 7:00 am Sunday and the 65 cm show jumping and all the cross country courses will be available to be walked. Additional sj course walks will be announced if required.

Penrose RFS are in charge of parking. Please donate to their bucket (they accept credit card payments – tap and go), and park as directed. Cars must be parked in Kardinia Lane. Dogs are NOT permitted, by request of the property owners.

Magnificup will be open early and Café Araluen will be open from 8:30 am.

Please install WhatsApp on your phone and use this link to join the BHT Hunter Trials community for important updates throughout the day.

Rider Rep: Sandy Lucas 0409 901 235

We are running this as a proper competition and there will be rosettes to 8th in each class. Prizes will be available 30 minutes after scores are posted for each class. The winner will be the rider and horse which is clear in both phases and closest to the optimum time for cross country. In the event of riders having the same score, we then revert to the rider closest to the time allowed for show jumping.

There will be no ice available on site – please bring your own. Please horse water if possible.

Rules of the day:

- Riders may wear casual uniform but must wear an EA tagged helmet for show jumping and cross country. If you need your helmet tagged, please come to the office before riding.
- Back protectors are required for cross country.
- Horses must have a bridle number for both phases.
- All horse and rider gear must be legal as per the Eventing rules.
- Back numbers are required for cross country. If you don't have a number holder, these can be purchased at saddleries.
- Back numbers will be emailed. Please print two and bring them with you to the event.
- Maps will be emailed. Times and distances will be displayed on the noticeboard and sent out on WhatsApp before Sunday.
- Both phases will be run in number order, as per the draw. We have allowed 2 minutes per rider for show jumping, but this is generous, and your class may run early. Please listen to announcement or check WhatsApp for any changes throughout the day.
- If you are eliminated in show jumping, you must ask the TD if you can go cross country.
- All riders who have a fall at any time **MUST BE** checked by the paramedic or doctor before the next phase or leaving the grounds.

- Cross country maps will be emailed prior to the event for you to print or save to your phone.
- Watches **ARE NOT TO BE WORN** for cross country.
- For cross country, you **MUST ONLY JUMP** the correct jumps for your grade or you will be eliminated.
- If you chose to miss a fence, you will be eliminated, but may continue unless the TD thinks you are unsafe.

If you need to scratch, please notify the secretary.
